WIGGINS MEMORIAL LIBRARY

Informal, fast-paced presentations by Campbell faculty

Thursday, February 19, 2015 4:00pm - 4:30pm

Periodicals Reading Room, Wiggins Memorial Library

## “What excites you most about your research?”

... the sense that I'm getting into a time machine and traveling back in time.

... it's a way to keep asking difficult questions and to spark important conversations.

... research is creative and unpredictable.

**dr. glenn jonas**

Religion, College of Arts & Sciences  
The local history of a Raleigh church

**dr. elizabeth lange**

Exercise Science, College of Arts & Sciences  
The impact of race, ethnicity, and gender on employment expectations among undergraduates in exercise and sports fields

**dr. sarah liu**

Pharmaceutical Sciences, College of Pharmacy & Health Sciences  
Anything but boring: Cancer biomarker discovery, drug delivery, formulation, and toxicology
